**Principal’s Report**

Welcome to new student Bree McNamara who is in Year 1/2 and has settled in very well to Mrs Stevenson’s class. A big welcome back Josh and Emily Anderson in Years 3 & 4 and Emily and Zac Johnson in years 3 & 4. It’s lovely to see some familiar faces returning to our school.

**Tuppal Food & Fibre Festival**

This Friday the whole school will be travelling to Tuppal Woodshed for the Tuppal Food & Fibre Festival. The Tuppal Food and Fibre Festival is an informative event aimed at showcasing the agricultural industry within the region. The festival aims at educating consumers about food production in the region, promote agricultural career opportunities to students as well as showcasing innovations and the future of food production in Australia. The students will be leaving the school at 9.15am and return by 3pm.

**P&C Meeting cancellation**

Please note tonight’s October P&C meeting has been cancelled. The next meeting will be 5th November 2014.

**‘Kidsfest’ at Apex Park**

On Tuesday, 21st from 4pm-6pm at Apex Park, Berrigan children can participate in the Kidsfest Program. This program is FREE and has many activities including face painting, outdoor games, stories in the park, free sausage sizzle as well as workshops by Outback Youth Theatre.

**AASC**

AASC is in full swing with golf on Mondays (pun intended) with the expertise of David Brockie and Hockey on Wednesdays. Please complete the attached AASC forms if you would like your child to attend.

**Mental Health Month**

Today we are handing out bags with information about depression, anxiety and mental health. This is an initiative of Beyond Blue, NSW Mental Health and Centacare South West. Each bag has different information in it. If you are concerned about yourself or a loved one, please ring Beyond Blue on 1300 224 636.

**Round Robin**

Children in Year 3-6 are busy choosing their team for the Round Robin which is on Friday 24th. Permission notes have been sent home today.

**State Representative**

Today Sam Morrow represented our school in the State Athletics Carnival in Sydney in the 100m. We wish him all the best and will keep you posted on his experience with a recount by Sam in next weeks newsletter.

**Year 3 / 4 Writing Group**

The focus on writing this week was to set the scene by thinking of our five senses and our emotions when we describe something that has occurred. These boys did a fabulous job;

- **My Holidays by Shannon**
  After Year 3 / 4 got off the train at Maldon, my mum was there with Mitchell and Caitlin.
  We went to Melbourne to see a concert. We went to Crown Casino then we took a taxi to The Rod Laver Arena. We got there at seven o’clock and the concert started at eight thirty so we waited for an hour and a half for it to start.
  The seats were hard because there was metal behind them. There were lots of flashing lights. I heard a puffing sound; confetti and smoke blew out from under the stage. Some of the confetti blew in my face. It felt warm.
  At the concert I got bored because Robbie Williams isn’t my favourite singer. Next time I’d like to see Justice Crew.
  My Holidays by Callum
  On the holidays while Dad was feeding the cows and mum was clipping the horses’ feet, Luke and I were riding the go-kart. When we were riding the go-cart I could smell and taste the dust. We were racing the cars. I could hear the rumbling engine. I could feel the leather on the metal armrest. We had sponge seats made out of leather too. When we hit bumps I got butterflies in my stomach. I could see the green grass out in the paddock. It would make a good feed for the cows.
  Luke and I went on the dam bank. I got the sling shot out to scare the hares away. We love going go-karting. Next time I will record it on my Go Pro.
  My Holidays by Jebidiah
  On the holidays Dad, Mum, my Uncle Scotty, my nana and me went ten-pin bowling. We paid for two rounds. Then the lady gave us our bowling shoes. When I walked away they slipped out on the floor.
  We typed our names on the computer. When I stepped up to the bowling alley it smelt like fresh air. I had my go. When my dad had his third go the lights went out and coloured ones came up. They twirled around and around the ground and the walls. Some music came on too. After the round was finished we started Round Two. My mum gave my sister and me seafood salad, potato salad and some chicken.
  When Round Two was finished we gave back our shoes and went home.

Active After-school Communities

Parent/Guardian fact sheet

What is the Active After-school Communities program?
Active After-school Communities (AASC) is a national program that is part of the Australian Government's $11.6m Building a Healthy, Active Australia package. It provides primary school-aged children with access to free, structured physical activity programs in the after-school timeslot of 3.00pm to 4.30pm. The program is designed to engage traditionally non-active children in structured physical activities and build pathways with local community organisations, including sporting clubs.

What are the objectives of the AASC program?
- To enhance the physical activity of Australian primary school-aged children through a nationally coordinated program.
- To provide increased opportunities for inclusive participation in quality, safe and fun structured physical activities.
- To grow community capacity and stimulate local community involvement in sport and structured physical activity.

What is the emphasis of the AASC program?
- To encourage local community partnerships.
- To promote a local community approach to increase participation in structured physical activity.
- To provide schools and Out of School Hours Care Services (OSHCS) with support to determine programs that meet the needs of their community.
- To focus on mobility skills and motor-skill development.
- To structure the program on Playing for Life principles and resources.

What is structured physical activity?
In relation to the AASC program, structured physical activity consists of modified sporting games and other energetic activities that are organised and managed by an AASC registered deliverer.

What is Playing for Life?
Playing for Life is an approach to coaching that uses games as the focus of development. By focusing on game-based activities, children are able to:
- develop skills in a realistic and enjoyable context, rather than practising them in isolation and from a technical perspective
- engage in dynamic game-based activities that use a fun approach to developing a range of motor skills.

How can my child become involved in the AASC program?
The program is open to all Australian primary schools and Childcare Benefit-approved OSHCS. Check with your school or OSHCS to see if they have been selected to participate in the program.

Will there be a cost to families for their children to be involved in the program?
The AASC program is a free service provided as part of the Australian Government's commitment to improving the health and wellbeing of Australian children. Where children are enrolled in an OSHCS service, the program will not incur any additional costs above the cost of the child care.
What are the parameters for delivery of the program in schools and OSHCS?

The program:
- will be delivered in the after-school time slot of 3.00 pm to 4.30 pm.
- must offer between 2–3 sessions per week.
- will be delivered in eight-week blocks per term (except Tasmania, where there will be ten-week blocks over three terms).
- will require a minimum of 15 participants per session (with the option of choosing to target different groups of children for each session).

It is important to note that these parameters may be modified where necessary to meet local needs (for example, remote/Indigenous communities, enrolment numbers, etc.).

Who decides on what is delivered in the school or OSHCS?

The school or OSHCS, in consultation with their Regional Coordinator, determines what physical activity programs are delivered. These may include modified junior sport programs or multi-skill based activities. The only requirement is that they use Australian Sports Commission-registered deliverers. The choice will be determined by a number of factors including environment, age/ability level of children, identified barriers to involvement in physical activity, inclusion principles, special need considerations and local community resources.

The Regional Coordinator will work with the schools and OSHCS to ensure that the programs delivered are varied and fun, encourage maximum participation and provide opportunities for pathway development and growth at the community level.

Who assumes the duty of care for the children?

As the AASC program provides a grant to the school or OSHCS to assist with delivery of their proposed physical activity program, the responsibility and duty of care rests with the school or OSHCS. Conditions of the grant will require that schools and OSHCS, in their proposal, demonstrate how they will meet their duty-of-care requirements.

Who will deliver the structured physical activity programs in the schools and OSHCS?

Deliverers must be registered with the Australian Sports Commission to be able to deliver programs in the schools and OSHCS. Anyone can apply for registration — school teachers, OSHCS staff, development officers from national and state sporting organisations, local club personnel, local government staff, parents, private providers, university students, high school students, etc.

How can a deliverer become registered with the Australian Sports Commission?

Individuals are required to complete and submit an application form to their local AASC Regional Coordinator. To obtain probationary registration, the individual must:
- satisfactorily complete a national police check
- complete the AASC Community Coach training program.
- Training will be provided free of charge by the AASC program.
- nominate to be registered as having a ‘multi-skill’ focus and/or a ‘sport-specific’ focus
  - sport-specific deliverers will be required to demonstrate a minimum of 12 months experience within each sport nominated (for example, playing, coaching, officiating and teaching).

What is a ‘multi-skill’ focus?

The AASC has developed a set of training resources for deliverers to use that are non-sport specific activities. Instead they will focus on multi-skill development games and movement activities. The Playing for Life Resource Kit has been constructed to provide a variety of activities across age group and environments. Deliverers are able to register to deliver these activities after completing the AASC training and accreditation program.

If ticked above, please provide details for each child:

Consent/Authority to participate in the Active After-school Communities Program:

1. [As the parent or legal guardian of the child/ren named above (my child/ren), I give my permission for my child/ren to participate in the Active After-school Communities program (“Active After-school” program) activities specified above, to be conducted by the School/OSHCS named above.]

2. I agree to release the Australian Sports Commission (ASC) from any liability to my child/ren or myself in relation to any injury or illness that my child/ren may suffer, and for loss or damage to property, in connection with the activities, except to the extent that liability arises as a result of the negligence of the ASC.

3. I acknowledge and agree that the School/OSHCS collects personal information for the purposes of conducting the activities, and that the School/OSHCS may provide this personal information to the ASC for the purposes of the ASC administering, evaluating and reporting on the “Active After-school” program.

4. I give my permission to the supervisors of the activities appointed by the School/OSHCS to implement the School/OSHCS code of conduct and/or take other reasonable measures to ensure the successful conduct of the activities and safety and well-being of the activity participants.

5. In the event of any injury or illness to my child/ren, I authorise the supervisors to apply or arrange first aid and to arrange examination by a registered medical practitioner and, if contact with me is impracticable or impossible, to arrange whatever medical treatment the registered medical practitioner considers necessary at that time. I will pay all medical expenses incurred on behalf of my child/ren.

6. I have provided all information necessary for the supervisors to plan safe participation by my child/ren in the activities, including, if relevant, details of any activities that my child/ren should not participate in or that should be modified for my child/ren due to medical or other reasons.

Consent/Authority to participate in the Active After-school Communities Program Evaluation:

7. The ASC is undertaking an evaluation of the “Active After-school” program and will need to gather the views of those involved in the “Active After-school” program, including participating children and their parents/guardians. The ASC and its contracted researchers may contact you in the future to invite you to participate in a telephone interview that could take about 15 minutes of your time. The interview may ask you about the types of physical activity your child/ren takes part in, how your child/ren feels about physical activity, what kind of impact the “Active After-school” program has had on your child/ren, and/or how you feel about the “Active After-school” Program.

8. Involvement in the telephone survey is voluntary. Participants will be randomly selected. All responses will be kept confidential and any reporting will be generalised so that no one individual can be identified.

If you tick the box below to indicate that you do grant permission, the details you provide on this form may be passed on to the ASC and its contracted researchers for the above research with parents/guardians.

1. [GRANT] permission

9. Your children, if aged 8 years or older, may be invited to complete a questionnaire while participating in the “Active After-school” program. This is a short questionnaire that asks him/her about what they like to do after school, how they feel about physical activity, and their opinion of the “Active After-school” program. The questionnaire is filled out right after an “Active After-school” session, for three weeks, and typically takes about 15 minutes each time.

10. Involvement in the child survey is voluntary. Participants will be randomly selected. All responses will be kept confidential and any reporting will be generalised so that no one individual can be identified.

If you tick the box below to indicate that you do grant permission, the details you provide on this form may be passed on to the ASC and its contracted researchers for the above research with participating children.

1. [GRANT] permission

I have read, understood and agree to the above terms and conditions.
