Principal’s Report

Congratulations was the ‘go-word’ for the past week at Berrigan Public School. We have so many wonderful people deserving to be congratulated and thanked on behalf of our school.

First, were our three very deserving recipients of the 2014 Deniliquin Network Education Week Awards. Our first award was to Cassandra Renneberg. Cassandra’s citation read: ‘As a senior student of our school Cassandra Renneberg displays an outstanding interest and care for our school environment. Her work with our school worm farm is an example of her commitment to recycling and caring for the environment. Cassandra donates a lot of her own personal time to complete tasks and encourages other students to be involved in improving and caring for our school environment. Cassandra is a wonderful, helpful student to have in our school’.

Congratulations Cassandra!

Our second award was to a staff member, Mrs Jenny Fruend. Mrs Fruend’s citation read: ‘This award is to acknowledge the commitment Jenny Fruend has made to the students and staff of Berrigan Public School. In her role of School Learning Support Officer, Jenny’s strong work ethic and initiative has provided an enormous amount of learning and support to students and staff in our school. Her deep passion for helping students is reflected in her day to day practices. Jenny is to be commended for the positive influence she brings to the classroom and the kind and considerate manner in which she goes about her work’. Congratulations Mrs Fruend.

Our third award was to a community member Mr Keith Phillips. Keith’s citation read: ‘This award acknowledges Keith Phillips for his significant contribution to Berrigan Public School as our P&C President and an outstanding school community member. Keith’s constant involvement in our school, co-ordinating, working on and developing numerous projects is to be commended. His genuine, positive and supportive personality enables him to work cooperatively with staff and parents to enable our students to gain extra resources and quality learning opportunities. Keith is a genuine asset to our school’.

Congratulations Keith.

All three recipients were very worthy and popular choices.

Principal’s Awards

Another round of applause and congratulations to all the students who received Principal’s Awards last Thursday during Education Week. It gives me great pleasure to present these awards to students who, through their great work effort and fantastic attitude, have accumulated 8 class mini merit awards, entitling them to a Principal Award. Congratulations to the following students; Charlie Magill, Cassandra Renneberg, Piper Mills, Tess McLennan, Lachlan McLennan, Nicholas Arnold, Isabel Alexander, Regan Fox, Jennifer Ackerly, Charlton Baxter, Phoebe Holmes, Ben Ackerly, Nikita Willemsen, received their first Principal’s Award in 2014.

Education Open Day

Thank you to the wonderful staff and students who made our school proud last week, with a great display of their skills and work on Thursday’s Open Day. The students were very enthusiastic and proud to show and share their learning; it is wonderful to see our students are so excited about their achievements. We had a wonderful turn out of parents, friends and carers who enjoyed visiting the classrooms and were at our Education Week assembly. They were entertained by our two Lions’ Club public speaker representatives, Lucy Phillips and Sam Morrow, plus heard a wonderful singing performance by our students, Kinder to Year 6.

Book Fair

Our Book Fair was very successful and lots of our students had a wonderful time looking at, exploring and choosing books. Thank you to Ms Outram and her band of helpers for a fantastic effort; one parent’s comment was ‘It’s like a Boxing Day sale in the library’.

Riverina Representative

Congratulations to Sam Morrow, who will travel to Sydney for the State Athletics Carnival, representing not only our school and the Finley District but also Riverina in the 100 metres. Congratulations Sam on a great effort.

Thank You

Thank you to the P&C who did a magic job cooking the BBQ last Thursday. The next big venture for our P&C is catering for the Learning Together forums on Tuesday 19th August. These training forums will be held at BPS after school from 4 pm to 7 pm for all school staff in our surrounding district. Caroline Alexander has agreed to coordinate this venture and will need the support of our school community.

Berrigan Public School will once again be holding their highly successful Kinder Transition Program. The program begins with an Information Evening to be held on Thursday 21st August at 7.00 pm in Room 2 at the school.

The next stage of the program will be an 8 week introduction to school that will involve the children coming to school for two hours each week. They will experience school life and all that our wonderful school has to offer.

The program runs for eight weeks starting in Week One of Term Four, Friday 10th October 2014.

It will be held every Friday morning for just over two hours from 9am until 11am.

The program provides children with the opportunity to completely familiarise themselves with the school, classrooms, grounds, teachers and the other children.

It also helps prevent separation anxiety at the beginning of the school year.

Children will be involved in a variety of exciting activities over the eight weeks such as art/craft, story reading, cooking, songs/games and interaction with other children in the school especially with the Year 5 students who will be the Kinder buddies in 2015.

For more information or expressions of interest please phone the school on (03) 58852209. We look forward to meeting you and your children.
