**Principal’s Report**

Each Thursday morning the children in Years 3/4/5/6 gather in the hall for Musica Berrigan. Children have been working with rhythm, beat and tone. Last week in groups children had to explore onomatopoeia, using vocal sounds, body percussion and instruments to enhance the verbs in the poem ‘Wind Song’. Mrs Cameron videoed each group. The children then watched their groups recital on the smartboard and then we listened to the sound effects without the visual. We were impressed with the results.

**Monsters in the Kinder**

Kinder One had a lot of fun designing and creating imaginary cardboard box characters with their Year 6 buddies. Then they painted them in the hall. They look amazing. Next they will be using the ipads to create a multimedia presentation about the experience. Please see photos of our creations further on in this newsletter.

**JeriBerriO’s**

Wow, what a day for our two JeriBerriO’s teams. Both teams played off in the grand finals after defeating Blighty & Finley in the netball and Finley & Tocumwal in the football. The teams did really, really well and we are so proud of them. The girls lost the grand final to Edward Public School and the boys lost to Deniliquin South. A huge thank you to Sandra Fox who stepped in to coach when Bec Ware was ill and also Greg Lawton from Jerilderie who coached the footballers after Stuart Pyle suffered an unfortunate accident. (We all wish Stuart a quick recovery). Thank you to all the parents who went to Deniliquin to support our students.

**Drama**

Last Friday Helen Dickie began our 2015 Drama program. For all our new parents this program happens each Friday and initially all students K-6 receive drama lessons. In Term 3 our senior students receive more intensive tuition in preparation for the annual school production which is held in week 10 of Term 3. All students K-6 perform in this Production, which is a wonderful experience for all. This year our play is ‘The Magical Land of Oz’.

**Playgroup Co-ordinator**

Carlie Smith is officially our playgroup convenor and she is delighted with the support from the school as well as the mothers who are supporting the group. It is a wonderful opportunity for our town and it is great that Carlie is prepared to hold this position.

**Jump Rope for Heart**

As part of morning PE, students have been practicing their skipping skills. On Friday 12th June at 2 pm our students will display their skipping skills and routines to each other and any parents who wish to attend. Students are asked to bring in a gold coin donation. All money raised will be forwarded to the Heart Foundation.

**BiJOU Combined Staff Training**

Yesterday after school, all our staff travelled to Jerilderie Public School to participate in a BiJOU Learning Community combined staff meeting with Michelle Meracis, our ICT mentor from Manor Lakes, Melbourne. Michelle worked with the staff on Learning Styles, that is looking at the different ways we all learn and also how to adapt ICT to work with the different styles of learning. Use of Small Screens for Fun

Did you know that Australia has recommendations on how much time children should be using small screen technology for recreation?

These recommendations state:
- Children between 5 – 12 years should limit use of electronic media for entertainment to no more than two hours a day

Some activities, like reading and school work, may need to be done while sitting. The key is to find a healthy balance and limit time spent in front of a screen for fun.

How can you encourage your child to be active, connect, explore and create?
