Principal’s Report
‘Where The Wild Things Are’ dramatization presented by Kinder/1

Last Thursday the K/1 classroom was full of excitement and nervous energy as the children in K/1 finally presented their long awaited play to a wonderful audience. There were many parents, grandparents, siblings, friends and children from the Children’s Centre. Reverend Val even came; much to our delight! The children performed superbly. Phoenix Jeffress did an outstanding job as narrator and Toby Loomes played the role of Max magically. There were lots of tired wild things by the end of the day! A job well done by all; congratulations K/1.

A huge thank you to all the people who came to watch.

Responsible Pet Ownership Program

Last Wednesday K/1/2 were fortunate to have a visit from Shannon and her beautiful, obedient dog Abby. Shannon delivered an excellent lesson to both groups of children. They were involved in learning how to stay safe around dogs including what to do if they come across an angry dog, the safe way to approach someone else’s dog and situations where they should leave dogs alone. This is a very worthwhile program provided for free by the NSW government. The children have enjoyed doing some follow up learning in their classrooms.

Year 5/6 Excursion

Year 5/6 are having a brilliant time in Melbourne. They have visited Immigration Museum, Melbourne Zoo and the National Gallery of Victoria and have also been very active rock climbing. Mrs Tait is very happy with the food; great breakfast and coffee!!

Semester 1 School Reports Home

Reading through all school reports has reminded me of the many opportunities our students receive, especially considering our school is a small rural school. The staff are very connected to their students, they know them extremely well and are able to adapt to their different learning styles. I have congratulated the staff on the very informative reports they have written for you.

Long Service Leave

Mrs Arnold and Mrs Sneddon are both taking long service leave at the beginning of Term 3. Ms Janette Outram will be taking Mrs Arnold’s class for three weeks and Mrs Robyn Jeffs will be working in Mrs Sneddon’s role for 5 weeks.

NCCD (Nationally Consistent Collection of Data)

It is the time of year for the gathering of National Collection of Data. This data identifies adjustments needed by teachers to assist students with their learning. A facts sheet is attached to the newsletter for your information.

Thank you

The school would like thank Kelli Litchfield for the wonderful catering job she and her small band of helpers did at the Berrigan Football Club Patrons & Graziers Dinner. From all accounts the meal was delicious. A great fundraiser for our school. Well done!

Message from the P&C

The P&C Committee would like to thank all the parents and teenagers who helped cook, prep and serve food for the BFC patrons and graziers dinner on Saturday night. A special thankyou to Iris Miles (pumpkin soup), Jill Petzke, Angela Farrell and Wendy Henderson for their help on the night.

Holidays!! Enjoy!!

Two weeks rest and relaxation; the staff and students are really ready for this break and hopefully it is going to be warmer weather.

Students return to school on Tuesday 14th July while all staff return Monday 13th July for a day of professional training. They will be combining with our BiJOU Learning Community schools at Berrigan, focusing on ITC teaching strategies, changes in the department structure and WHS.

School Notices

Readers for Year 3/4 & 5/6 - Morning Reading Program
Years 3/4 & 5/6 students are continuing a morning reading program. We would like the students to read for 10-15 minutes each morning.
To ensure the success of this program we are looking for listeners for the students’ reading. If you are able to pop into the school Library on Monday, Tuesday, Wednesday or Thursday morning for any length of time between 8.30ish and 9.30am to hear students read it would be much appreciated. Thanking you in anticipation.
