**Principal’s Report**

This week we recognise those wonderful people who are our SASS team. Barb Fox, Simone Fox, Jenny Frueend, Bec Ware, Kerrie O’Dwyer, Nellie Loats and Steve Dalgleish. These people are the backbone of our school and are very treasured by teachers, students and parents. They are the most flexible, enthusiastic people who love working in our school.

**Aspire Me Art Camp**

Five lucky students have been nominated and accepted to attend the Aspire Me Art Camp. Annabel Middleton, Max Cameron, Allyssa Thornton, Phoebe Holmes and Shae Fennell, plus a very excited Mrs Arnold, will travel to Moulmein early Thursday morning by bus to participate in the art camp. At the camp the students will have an opportunity to work with artists Vicky Lowry (digital art using the iPads), Sarah Mathers (fabric art), Wendy McDonald (dry point etching), Barb Harris (plaster sculpture) and Kathy Gibson (glass art). Everyone is very excited.

**Footy Colours Day**

As we have seen on a TV advertisement, Friday is Footy Colours Day, a national campaign to raise money for cancer research. Our school traditionally participates in this great day and once again it coincides with our Father’s Day celebrations. Mrs Stevenson is drawing a big ‘C’ in the Cola and we are hoping to fill it with donations of coins. Students are asked to bring in coins for this fund raising event - come on everyone let’s fill that C.

**Father’s Day Breakfast**

It is here again, our wonderful P&C Father’s Day breakfast, this Friday at the BPS school hall. What a great way to start the day, breakfast with your favourite dad, pop, mum, uncle or friends. It starts at 8.15 with a yummy cooked breakfast and our students will be showcasing some clever technology skills plus the school choir will perform.

**Kinder Information Evening**

Last night we welcomed our prospective 2016 Kindergarten families. A big thank you to our school captains, Annabel and Max, who spoke about their time at BPS; to Doug Cameron, who in his role as P&C president spoke about the P&C; to Gillie Arnold, our current Kindergarten teacher, who spoke about the Kindergarten Transition Program and the Kindergarten Curriculum, including what a day in Kindergarten looks like; to Jenny Frueend one of our technology learning support officers, who gave a presentation about what they can do with technology; and our final guest speaker was Stephanie Girdwood, our current visiting speech pathologist speaking on the importance of correct speech and pronunciation. It was a very successful evening, concluding with supper and a chance to have a chat.

**P&C Raffle**

Today going home with this newsletter for each family are raffle tickets to sell, to be drawn at the school play. First prize will be a mini iPad and second prize is $100 voucher from Berrigan IGA. Please return money and sold tickets to the front office.

**Environmental Garden**

A huge thank you to Steve Fox and Craig Glanvill who spread the dirt to begin to form our garden beds in our Environmental Garden. They spent a couple hours after work Monday afternoon doing this and we are extremely grateful. Steve has suggested we still need a couple of more loads of dirt to make some good productive garden beds. We would also appreciate some straw to mulch our garden beds. Our community members, Maree Ryan and Ciara Way, are coming in week 1, Term 4, to help organise and plant the beds with the students. We have also been promised some manure from the MeyerVale family. It is wonderful to see our community members helping with our garden.

**CWA Presentation**

Our Year 6 students attended the CWA meeting last Wednesday giving some very interesting presentations on the country Italy. Their presentations were very well received and Mrs Ware and Mr Archer were very proud of the students, both in their presentation, excellent manners and wonderful behaviour.

**Footy Finals- Good Luck Berrigan FC Fourthers**

How exciting, Max Cameron, Aidan Fennell, Nick Arnold, Caleb Thornton, Kyden Wellman, Jebidah MeyerVale, Tyson Sharp-Shorney, Darcy Pyle, Hamish Cameron and Xavier Fox will compete in the 2015 Picola NE AFL Grand Finals this Saturday. Along with ex-students Rory Thornton, Josh McQualter, Mason Peters and Bailey Thornton the boys are super excited and a little nervous about playing in the big game, they have yet to beat Strathmerton, but anything can happen in Grand Finals. We wish them the very best on Saturday-Go Saints!!

Thank You Megan
What a wonderful asset this young lady is to our school. Megan Kortum comes in every Monday and Tuesday at 8.30am to listen to our Year 3 students read. Megan joins our wonderful group of mums, grand mums and friends who come in each week to hear our students read.

Congratulations Shae Fennell
Shae won the 11 years shot put in Albury last Monday at the Riverina Athletics Carnival, qualifying her to travel to Sydney to compete in the NSW State Athletics Carnival. A fantastic effort Shae and we wish you all the best.

P&C meeting
At last week’s P&C meeting, a major discussion was held about our canteen. I gave a presentation on the Education Department’s canteen guidelines and have included the ‘Nutrition in Schools Policy’ statement and objectives for your information. I want to thank Jo Turner who has been an extremely flexible canteen supervisor coping with the changes. Jo and Kelli Litchfield are to be commended for their initiative and time in beginning to implement change. Our canteen will no longer sell lollies and will limit chip sales to lunch time. Jo has produced a new menu and the students have been very keen experimenting with the new choices available.

All schools should promote and model healthy eating and good nutrition in school programs and activities relating to or involving food and drink. School canteens are required to implement the Fresh Tastes @ School – NSW Healthy School Canteen Strategy.

1. Objectives - Policy statement
1.1 Any activities and programs within the school setting relating to or involving food and drink should promote healthy eating and good nutrition to students.
1.2 Implementation of the Fresh Tastes @ School – NSW Healthy School Canteen Strategy, as outlined in the Fresh Tastes @ School Canteen Menu Planning Guide, is mandatory for all canteens in NSW government schools.
1.3 All sugar sweetened drinks that exceed the nutritional criteria for ‘occasional’ foods outlined in the Fresh Tastes @ School Canteen Menu Planning Guide, are not permitted for sale in school canteens and school vending machines at all times.
1.4 The teaching of nutrition education is part of the Personal Development, Health and Physical Education (PDHPE) key learning area and is mandatory for all students from Kindergarten to Year 10. Teaching and learning and all class activities in all other key learning areas should reinforce healthy eating and good nutrition wherever possible.
1.5 All school activities that involve the provision of food and drink to students should be consistent with the Fresh Tastes @ School – NSW Healthy School Canteen Strategy.
1.6 Off site school activities that involve the provision of food and drink to students, including excursions, camps and school functions should be consistent with the Fresh Tastes @ School – NSW Healthy School Canteen Strategy.
1.7 Where school activities involve the provision of food and drink to the wider school community consideration should be given to modelling and promoting healthy eating.
1.8 All canteen operators are required to notify the NSW Food Authority of their food activity details. All canteens will provide a safe and hygienic food service and comply with the Australia New Zealand Food Standards Code, Food Act 2003 (NSW) and Food Regulation 2010 (NSW).
1.9 Schools with preschools are required to follow the protocols of the Education and Care Services National Regulations (Regulation 79) ensuring that healthy eating practices are promoted.
1.10 School activities that involve the provision of food will address the requirements of the Anaphylaxis Procedures for Schools.
